"9. (Internal Use Only - JGO) Received a call from Mr. Robert Blum, Senate Foreign Relations Committee staff, who told me that a Mr. DeCola had met with the Committee during the week and showed his film on Indochina. This film will be shown to the public on NBC on 14 February. Mr. DeCola told the Committee he had gotten the background film from the Agency. Mr. Blum told me the Committee would be most interested in whatever additional films are available in the OSS archives concerning Indochina. I told him I would relay his request and be back in touch the first of the week. Messrs. [redacted] ISD, have been advised."
